By signing below, I verify that I am a practicing healthcare provider, authorized to request, prescribe and receive prescription medications at the address identified herein. I certify that the therapy prescribed is medically necessary and verify that the information provided is complete and accurate to the best of my knowledge. I further certify that (a) any reimbursement investigation service provided through Tolmar, Inc. ("Tolmar") and its agents is not made in exchange for any express or implied agreement or understanding that I would recommend, prescribe, or use the above therapy or any other product or service for or from anyone, and (b) my decision to prescribe the above therapy was based solely on my determination of medical necessity as set forth herein. I also attest that I have obtained all appropriate patient authorizations and consents, including a signed HIPAA authorization, to disclose the patient's protected health information, and such other information as may be required, to Tolmar and its agents, to use and disclose as may be necessary to assist in obtaining coverage for the product, initiating therapy, providing treatment support services, and administering the Fensolvi® programs. I affirm that the patient has been informed and agrees that (1) I, applicable pharmacies, and other health care providers, as well as the patient's health insurers, may share the patient's health information with Tolmar and its agents, including, but not limited to, reimbursement hub vendors, pharmacies, and data aggregators, pursuant to the HIPAA patient authorization, (2) Tolmar and its agents may provide the patient with various support and information to help the patient access Fensolvi and may contact the patient by email, telephone, voicemail, or text to do so, (3) Tolmar and its agents may use the patient's information for internal business purposes (such as marketing research, financial reporting, operations, and fulfillment of legal responsibilities), and (4) authorization is voluntary, may be revoked at any time by the patient once given, and refusal to consent will not affect the patient's ability to obtain treatment or insurance benefits.

I authorize Tolmar and its agents, and the dispensing pharmacy, to share information about the patient on my behalf, to convey this prescription to the pharmacy for dispensing, and for the pharmacy to dispense per its customary and usual procedures. I agree that I shall not bill, sell, seek reimbursement from the government or any third party or file any claim for the drug product provided by Tolmar TotalSolutions® or other Hub offering.
